Cause and Nature of Accident

As per claim form as on date, time & place of accident an unknown vehicle came from front side and dashed the IV causing the bike fell down resulting damages sustained to the insured vehicle.

As per the condition of vehicle & nature and extent of damages, the above cause of accident written in claim form seems to be correct and genuine.

Survey Particulars

As per the instruction received from UNITED INDIA INSURANCE COMPANY LTD., M.O. Durg on 10/04/2024, I the undersigned visited the repairer workshop at M/S S SARAWASATI MOTORS, KAWARDHA and conducted the final survey of accidental insured vehicle bearing Reg. No. CG 09 JQ 4039 (HERO SPLENDER). Took out the photographs from different angles to cover the visible damages. Discussed the loss with repairer. Check the relevant damages as regard to its nature & extent.

On the same day I again visited & took out the photographs of dismantled parts of the vehicle & noted the damages.

As the accident occurred due to external means, the claim is payable as per the terms & condition of the policy.

The damages assessed are fresh & accidental in nature & strictly pertains to the accident claimed. The cause justifies the damages & could fall within the scope of coverage of insurance policy. There is no breach of warranty of policy held by the insured.

Referring Estimate No 237 dated 08/04/2024 of M/S SARAWASATI MOTORS KAWARDHA and looking to the nature & extent of damages, the loss is assessed as per annexure attached. The repairer is authorized dealer, hence dealer rates for parts and labor are considered while assessing the loss.

The assessment has been discussed with repairer Shri Veeru Sahu & took the signature on estimate as token of acceptance.

The assessment of loss & damages is being tabulated on the assessment sheet attached to the report. The assessment of loss is subject to the terms & condition of the policy.
